About Logistics24x7.com

Logistics24x7.com India Private Limited

is a global logistics and supply chain management company providing reliable and cost-effective international logistics solutions.

We specialize in **freight forwarding, customs clearance, warehousing, and door-to-door delivery**, enabling businesses and individuals to move goods across borders seamlessly.

With a strong global partner network and a technology-driven approach, we simplify international trade by delivering efficient logistics solutions tailored to our clients' needs.

Our team of logistics professionals ensures that every shipment is handled with precision, compliance, and complete transparency.

At Logistics24x7, our goal is simple — **to make global trade easier, faster, and more efficient for our customers.**

OUR VISION

To become a globally trusted logistics company by setting benchmarks in operational efficiency, regulatory compliance, and customer satisfaction.

OUR MISSION

To provide innovative, reliable, and customized logistics solutions that simplify international trade and enable businesses to expand globally.

Our Core Values

- Integrity
- Reliability
- Customer Focus
- Innovation
- Operational Excellence

Our Leadership

Vikash Narula

Director – Compliance & Operations

With over 15 years of expertise in customs regulations and trade compliance, Mr. Vikash Narula ensures seamless logistics operations and strict adherence to international trade standards.

His extensive experience enables businesses to navigate complex customs procedures efficiently while maintaining complete regulatory compliance.

Yash Narula

Director – Strategy & Customer Relations

A forward-thinking leader in logistics and supply chain management, Yash Narula drives the company's strategic growth and customer engagement.

His focus on innovation and technology helps enhance logistics efficiency and deliver superior customer experiences.
